ARCHITECT NOTES:

Primero has been designed to elevate peace, prominence, and fulfilment. Every square feet at Primero has been well-thought out to maximize comfort. From the start of the conceptualization through to design process, we envisaged this project to be unique and sustainable. Painstakingly taking care of every detail from where the sun comes through the window to how spacious the kitchen should be, our sole motivation for Primero was to enhance the quality of living; and you will experience this feeling every moment, every day of your life once you live here at Primero.
